

Dear Future Employers,

I am an experienced educator with many years of teaching across diverse institutions and countries. In my previous roles, I have worked with students from a wide range of cultural, linguistic, and academic backgrounds, adapting my methods to meet their varying needs and capabilities.

Most recently, I taught an advanced English as a Second Language (ESL) class under the English For All program. This role allowed me to design engaging lessons, foster critical language skills, and contribute meaningfully to the educational journeys of my students. I take pride in the progress they achieved and the confidence they developed in using English for academic and professional purposes.

I am currently pursuing an MA in Applied Linguistics at Ohio University, a program that builds upon my extensive classroom experience and strengthens my ability to apply research-based approaches to language teaching. I am eager to bring this combination of practical expertise and academic training to future opportunities in your institution.

Thank you for your time and consideration.

Sincerely,

Ridwan Ibraheem
